F.A.O. Mrs Karen Abba, Planning Officer

Dear Mrs Abba,

Please find attached a detailed document of objection to the resubmitted application for a new Visitor Centre at Spurn Head/Spurn NNR for the Yorkshire Wildlife Trust. This has been prepared on behalf of the Spurn Bird Observatory Trust.

It begins with new material and then incorporates an updated version of the original objection document to the 2015 scheme, as the proposal is, in many respects, the same as before and therefore many of the original grounds of objection remain valid.

Please acknowledge receipt of this document.

PLEASE NOTE: I only work for 2C Design on Mondays and Fridays. A power cut and loss of internet connection on Monday afternoon prevented my sending the document on to you from this address. It was therefore sent remotely on Tuesday from a Yahoo! Mail account, but a failure message came through that evening to say the recipient's server had repeatedly taken too long to respond. The document was sent again on Wednesday; no failure message has come through since, but I called your office this morning (Friday) and the person who took the call was unable to trace the document. I am therefore sending the attachment a third time, as a precaution, and will call you this afternoon to confirm receipt.

Kind regards, 

Mark Singlehurst
